MS-900 Self-Adhesive Mini Pipe Markers

Marking Services Canada (MSC) offers MS-900 Self-Adhesive Mini Pipe Markers (style "T") for labeling 1/4" to 3/4" process lines, tool connections or utility piping. Our mini pipe markers are suitable for indoor line marking identification and system color coding.

MS-900 mini pipe markers are made from durable vinyl material with pressure-sensitive adhesive, allowing for easy installation. Simply clean and dry the pipe, remove the marker from the coated paper backing and place in the desired location.

- Identify the piping carrying chemicals and gases used in the production of semi-conductors and components
- Custom legends, chemical abbreviations and point of connection labels are available
- Style T markers are 1/2" x 2 1/2" (13 mm x 64 mm) and sold 10 labels per sheet
- Letters are .25" (6 mm) high
- Color, legend and flow direction combined on one pressure-sensitive marker for easy installation
- Printed on premium-quality, fade-resistant vinyl with durable, industrial grade adhesive
- Adheres well to pipe and insulation with only limited surface preparation
- Service temperature range: -50° F to +180° F (-45° C to 82° C)
- Fast turnaround with off-the-shelf delivery on stock legends

Current 2015 ANSI/ASME A13.1 Standards

Classification	Color Scheme	
Defined Applications		
Fire quenching liquids	White text on red	Sample
Toxic and corrosive fluids	Black text on orange	Sample
Flammable fluids	Black text on yellow	Sample
Combustible fluids	White text on brown	Sample
Potable, cooling, boiler feed and other water	White text on green	Sample
Compressed air	White text on blue	Sample
Undefined Applications		
Defined by user	White text on purple	Sample
Defined by user	Black text on white	Sample
Defined by user	White text on gray	Sample
Defined by user	White text on black	Sample

*ASME (ANSI) A13.1 (1996) spec colors available.

Marking Services improves and standardizes the identification of pipe contents to promote safer work environments and minimize downtime due to errors or accidents. We provide a full complement of identification products designed to fulfill all needs for identification in nearly any environment. Through our commitment to providing value-added services, high-quality products and on-time delivery, MSC offers you a one-stop, comprehensive source for all your identification needs.
