

BLACK ENAMEL ALUMINUM TAGS

Technical Data

Description

Black enamel background makes great looking small tags and signs. Use for equipment plates to show model name and characteristics specific to a piece of equipment. Can be used to show maintenance instructions and operating procedures. Highly visible contrast between the engraved legend and the black background. Durable indoors and outdoors. Available in 1" x 3", 2" x 4", 4" x 6" plates. Equipment tags come with standard 3/16" mounting holes, two side holes for 1" x 3" and 2" x 4" tags and four corner holes for 4" x 6" size.

Solid Brass or Stainless Steel "S" hooks or jack chain is used to attach valve tag to provide a tough, sturdy and corrosion resistant fastener.

Physical and Chemical Characteristics

Base Material:	Black Enamel Aluminum
Material Thickness:	0.040" (1.016 mm)
Service Temperature:	-40°F to 180°F (-40°C to 83°C)
Application Temperature:	W/ adhesive +50°F (10°C)
Chemical Resistance:	Good
Water Resistance:	Excellent
Expected Outdoor Durability:	Excellent (5+ Years)
Storage Durability:	W/ Adhesive - Up to 2 Years W/O Adhesive - 5+ Years
Abrasion Resistance:	Good
Mounting:	Adhesive backing and/or holes
Finish:	Gloss finish
Text Height:	Sized to fit within tag boundary or comply with specified height
Typical Size:	Customizable
Standard Colors:	Black (White Text)
Options:	n/a
Chemical Table:	n/a

Information on physical and chemical characteristics is based on tests we believe to be reliable. The values are intended only as a source of information and are given without guarantee and do not constitute a warranty. Purchasers should independently determine, prior to use, the suitability of this material for their specific application.
